

STAGING AREA SIGNS

Signs (19x27) will be placed at staging areas to alert the public of the pilot program prior to visitors beginning their activity. Trifold 11x17 maps designating the pilot trails will be available in a brochure holder below the sign.

TRAILS PILOT PROJECT Trail Use Designation

Starting June 1, 2021, OC Parks will be assigning new trail use designations to selected trails within the park.

OC Parks suggests that prior to proceeding to your trail destination, that you please review the handout below that indicate which trails have the new designations.

Please contact OC Parks for more information.
